

THE BATHING
POOLS
THE HEART OF LA VALLETTE

Sponsorship opportunity

Our vision is for The Bathing Pools to become a vibrant destination where everyone can feel welcome and valued. A place where people's lives are improved.

We have an exciting opportunity for you to have a name or a chosen message engraved into the cladding on the outside of the changing rooms. Your support will be contributing to the capital costs of the Bathing Pools facilities and ensuring you are part of this fantastic community project.

The cladding is manufactured using waste plastic packaging that is processed into pellets and then injection moulded into cladding boards.

The cladding is:

Durable and safe

- > Weather and rot resistant.
- > Resistant to salt water.
- > Low Maintenance and low service costs.
- > Splinter-free product.

Eco-friendly

- > Awarded the 'Blue Angel' Eco label.
*The Blue Angel originated in 1978 as a certification for products and services that are more environmentally friendly than comparable conventional products and services.
- > Non-Polluting.
- > Reduces strain on landfill, is sustainable and environmentally friendly.

Please email Helen via contactus@vivelavallette.com to receive further details and to reserve your piece. Spaces are limited to 300 and we are asking for a minimum donation of £500 plus £2.50 per character. Up to 70 characters are available including letters, punctuation and spaces.

Thank you for joining us and for supporting your community.
