Drinks Kitchen: Aperitif mixed with sparkling water, tonic or ginger ale - served over ice.

Herb Verde

Fresh, green and herbaceous. A garden-inspired aperitif made with mint, rosemary, gentian and thyme. For a refreshing yet serious sip. Think Mojito meets alpine botanical.

Spiced Rhubarb

A spiced embrace for the adventurous. Rhubarb, juniper, ginger and a dash of chilli work beautifully together to produce a juicy, fruity, lightly spiced 0% aperitif, with a gentle heat.

Grapefruit Piquante

A punchy, citrus-packed non-alcoholic aperitif with a pokey chilli kick. Grapefruit, rosemary, mint and chilli heat give a layered and tingy finish that's surprising and interesting.

Orange Cinchona

Bitter, bold and utterly unforgettable. With zesty orange peel, balancing herbs and cinchona depth for serious spritz energy. Mix with ginger ale to make it sing!
